

A time of reflection and gratitude

Dear _____

The High Holidays are a time for reflection, a time when we take stock of our lives and our blessings. At the Los Angeles Jewish Home, it is also a time of gratitude. We are thankful for each and every one of our donors whose contributions support the vital programs and services that care for more than 6,000 needy seniors annually.

Your generous contribution helps the Home care for seniors like Goldie Druyun, who is 104 years young. Goldie inspires all of us with her positive attitude and infectious sense of humor, whether at her tai chi class, playing Bingo, or visiting with her many friends at the Jewish Home. As her son Jeff sees it, the secret to Goldie's long life is the Home's combination of social opportunities and compassionate care.

Help us continue to nurture Goldie and others like her... so they can inspire us all.
