

# One act of loving kindness goes a long way

Dear \_\_\_\_\_

As Yom Kippur approaches, we take time to pause and contemplate. It is our tradition to review the past and focus on what we change in the year ahead. We commit ourselves to acting with our best intentions.

With your help, seniors — who might otherwise be alone — are able to celebrate the High Holy Days at the Los Angeles Jewish Home surrounded by caring friends. Living here, their days are filled with physical activity, mental stimulation and vital fulfillment of their golden years.

Over 5,000 seniors in our community rely on us, and we depend on you: Together we form a circle of caring through many hands which make our community stronger.

We ask you to open your hearts and include us in your acts of loving-kindness. Your generosity will add essential support to the Home’s compassionate quality care for the most-needy. Your gift improves the quality of life for deserving seniors. The warm embrace of our caregivers, the inspiration of our programming, and our constant striving to assure our seniors live in safety and security make the Home the extraordinary Home it is.

Thank you for partnering with us to care for those in our community who need it the most.

Wishing you and your loved ones a happy and healthy New Year.

Molly Forrest  
CEO-President
